

2009-2010 Round-Up Registration Appointment Schedule

In order to avoid overcrowding and in an effort to be fair to all students, you must show up at your scheduled time. If you are unable to come for your scheduled appointment; you must show up during the scheduled make-up time for your grade level.

Please note that the divisions listed below are based on alphabetical cuts to correspond with your son/daughter's Student Service Technician. For example, if you have a senior with the last name of Bell you would attend "Round-Up" on Monday at 8:30 A.M. during the Arn – Ben time slot.
